2017 ACBA General Membership Meeting

The ACBA is asking General Membership Meeting attendees to consider donating unwrapped toys and/or monetary gifts during this season of need and giving. The organization selected to benefit is the Big Brothers & Big Sisters of Greater Pittsburgh (BBBS).

“Our target population includes children ages 6-18 from single parent families, low-income households, and underperforming schools. In many cases, these children have incarcerated parents, encounter bullying in school, and face other challenging circumstances that increase their susceptibility to negative outcomes.

At BBBS PGH, we make meaningful, monitored matches between adult volunteers (“Bigs”) and children (“Littles”) in Allegheny, Greene, and Washington counties. There are three program options available that are designed to help develop strong one-to-one relationships, and make a direct and lasting impact on the lives of young children—Community-Based, Site-Based, and mentor2.0.”
