Banner Community Program Continues to Grow

The Banner Community Program had another record breaking year with a total of 55 communities receiving Banner Community Status in 2018. ALOM recognizes these communities as ones that demonstrate a dedication to professional development, prudent fiscal management, transparency, accountability and proactive communications.

The 55 Banner Communities will be announced and recognized on March 23 at

an event and luncheon presented in partnership with Allegheny County and engineering firm Herbert, Rowland & Grubic (HRG).

Additionally, all awarded municipalities will have an opportunity to win scholarships to the 2019 Spring Educational Conference. For more information on the Banner Community Program, please visit the ALOM website under the “member resources” tab.

Member Services

Don't forget that ALOM has a number of new and long-standing Member Services available to help provide essential resources:

- Retirement Solutions including 401(a) and 457 plans providing high quality retirement plans while helping you control long-term legacy costs.
- On site Notarial services available such as notarizing ordinances or other official documents and facilitating title work for municipal vehicles and equipment. Notary services are limited to official municipal business and are subject to staff availability.
- Web-based Member Marketplace to provide a hub of information for all municipal stakeholders to find classified information such as job postings, bids/RFPs, meeting announcements and vendor information.

THE ASSOCIATIONS OF ALOM

ACBA

The ACBA celebrated its 69th Annual Banquet in February with nearly 300 local government stakeholders present to enjoy the evening. This annual event serves as an opportunity to welcome new leadership and celebrate the association's success in the prior year.

McKees Rocks Councilman and outgoing Association President Craig Myers was on hand and reflected on the association's various accomplishments in 2017. At the conclusion of his remarks, he was presented with a special gift from his colleagues as a thank you for his dedicated service.

Assuming the role of President for the upcoming year was Mayor Pete Poninsky of Leetsdale, who has a long-time affiliation with the association and who outlined a strategic vision moving forward, which included a commitment to inter-governmental cooperation and shared advocacy for key priorities impacting our communities.

AC&WPATC

The Township Commissioners comprising the AC&WPATC successfully implemented a host of endeavors over the last several months to promote the good work of member communities both in Allegheny County and throughout Western Pennsylvania. That included a highly successful conference in the fall, with a host of diverse educational programming.

Similarly, just last month, Association leaders, led by President Tony Taliani of East Deer Township were in Harrisburg to outline key legislative priorities to our state house and state senate delegations.

Later this Spring – the AC&WPATC will hold its annual convention at the River's Casino – with a robust agenda that includes welcoming new leadership and charting a strategic vision for the association in the months to come.

Dates to remember: May 19 - Spring Convention

ACATO

The Board of Directors of ACATO met and sponsored resolutions - indicating the wish of the collective, which are outlined below and were communicated to local legislators:

- 1) Opposition to proposed expansion of land banks, as multiple municipal entities in Allegheny County have successfully formed a land bank under existing law.
- 2) Opposition to legislation that would strip municipalities of their legal authority to regulate wireless facilities.
- 3) Seeking legislation to clarify that lending institutions have a vested right in any property for which they hold a mortgage and therefore can be held responsible for the maintenance of the property.
- 4) Opposition to legislation requiring municipalities to allow officers who previously were employed by other entities to “buy back” time.

Dates to Remember: May 3 - Spring Convention
