LEGISLATIVE RECEPTION

JANUARY 17, 2019

Join us for our Bi-Annual Legislative Reception

This event serves as an opportunity for local elected and appointed officials to discuss key issues that impact our communities with our legislators and other local leaders.

We hope to see you there!

The mission of ALOM is to foster local government in Allegheny County and Southwestern Pennsylvania by educating elected officials, delivering essential resources and advocating for sound policy and legislation.

ALOM is helping public servants make their communities better.

Don't miss this opportunity to network with local leaders and learn about the important legislative priorities across our County

Please join us as we welcome new and incumbent legislators. The Bi-Annual Legislative Reception serves as a springboard for ALOM's efforts in legislative advocacy by providing municipal officials with an opportunity to build a dialogue with their representatives in order to advance those legislative priorities, to guard against unfunded mandates and to share critical information about initiatives taking place within our communities.

Join your state and federal legislators, Allegheny County and City of Pittsburgh leaders and fellow local officials as we celebrate the spirit of intergovernmental cooperation!
